You are currently enrolled in the Automatic Bank Deduction program. **\$180.68** will automatically be deducted from your financial institution on **03/14/26**. Therefore, it is not necessary to send a check or other form of payment.

BILLING FAQS

- Q. Does my bill for wastewater service include a charge to fund the Low-Income Customer Assistance Program?**
A. Yes. As part of your sewer charges, each month you pay 45 cents to fund the Low-Income Customer Assistance Program. The Low Income Customer Assistance Program ("LICAP") provides a credit on wastewater service to qualified customers. LICAP also provides qualifying customers assistance with water-saving appliances and repairs. More information about our program can be found at: <https://www.citizensenergygroup.com/My-Account>.
- Q. Can I obtain a more detailed list of the charges on my bill?**
A. Yes. Upon request, Citizens will provide monthly bills with more detail on specific charges. You can request a detailed bill by contacting a customer service representative at (317) 924-3311 or selecting the option on-line at <https://www.citizensenergygroup.com/My-Account/MyProfile/Billing-Preferences>. There is no additional charge for a detailed bill.
- Q. My Account Balance seems too high or low. Could there be a problem?**
A. Your total bill is impacted by several factors such as the Previous Balance, Other Activity such as charges or adjustments, and Historical Information. More information is available online at [citizensenergygroup.com](https://www.citizensenergygroup.com) or by contacting Customer Service.
- Q. How does Historical Information help determine if my bill is too high or too low?**
A. Monthly gas and water usage can be compared to previous history using the charts to verify current usage is in line with typical usage. Gas consumption is likely to increase with colder weather and water consumption may be impacted by activity such as lawn irrigation or household changes.
- Q. Why would my meter reading be estimated? What if my reading was over or under-estimated?**
A. Citizens attempts to get actual reads each month, but an estimation may be necessary if we cannot safely access a meter due to weather or obstructions such as landscaping or fences. When estimating bills, Citizens reviews historical usage and considers the weather. The estimated reading will automatically adjust with the next actual reading.
- Q. I think I have a water leak – what should I do?**
A. Please refer to our website for useful, self-help tips or give us a call before contacting a contractor. It could be something as simple as a running toilet/silent toilet leak or a misread.
- Q. Can a deposit be charged to my bill for late payment?**
A. Yes. If the account has two (2) disconnect bills in a row or three (3) disconnect bills in a twelve (12) month period a deposit may be charged to the account.

DEFINITIONS

CCF - Amount of gas and water which goes through the meter, measured in 100 cubic feet. For water and sewer, 1 CCF is approximately 750 gallons.
cr - Indicates a credit.
Cu FT - Cubic Feet - A standard unit of measure for volume.
Therm (THRM) Used - Energy value of the gas used
Conversion - Used to convert the metered consumption to calculated charges for billing purposes (for example CCF to Therms)
Gas Charges - Includes cost of gas used, maintaining a safe and dependable distribution system, meter reading, billing and various customer services.
Sewer Charges - Based upon the volume of water used. Cost to maintain disposal system, safely process discharge, and billing services.
Water Charges - Includes cost of water used, maintaining a safe dependable distribution system, meter reading, billing, and public fire protection.

Citizens Employees Renovate Indy World Sports Park

Employee volunteers from Citizens Energy Group worked with a coalition of partners to renovate the various family center facilities at Indy World Sports Park from January 15-16 as part of the 18th annual Sharing The Dream event. Check out our work in these photos, stop by the park for a visit, and use the QR code to watch the 2026 Sharing the Dream recap video.

Sharing The Dream is a multi-day service project honoring the life of Dr. Martin Luther King, Jr. which gives Citizens employees a chance to serve Central Indiana neighborhoods. More than 200 employee volunteers collectively donated hundreds of hours of time during the event, cleaning and painting all spaces; cleaning and repairing all sewer lines; servicing all HVAC equipment; and updating fixtures to increase energy efficiency. Citizens also convened more than 30 partners who donated services or equipment equal to more than \$450,000. Citizens and our partners have brought about a \$4.75 million impact for various Indy Parks facilities during Sharing the Dream projects over the past 18 years of Sharing The Dream, and it's one of our employees' favorite events of the year!

Citizens-Lebanon Water Supply Program

Have you heard about our program to supply water to Lebanon Utilities and want to learn more? The Citizens-Lebanon Water Supply Program will enable Citizens to supply water to our ninth regional wholesale water customer—all while strengthening our current water supply system at no cost to our customers. There is a lot of information about the program on our website, and you're also invited to learn more at any of the informational sessions listed below, hosted at the Pike branch of the Indy Public Library.

Location: Indy PL - Pike Branch (Community Room)	
Time	Date
12:30 - 1:30 p.m.	Tues, Feb 3, 2026
3:30 - 5:30 p.m.	Tues, Feb 3, 2026
12:30 - 1:30 p.m.	Tues, Feb 17, 2026
3:30 - 5:30 p.m.	Tues, Feb 17, 2026
3:30 - 5:30 p.m.	Tues, March 3, 2026
3:30 - 5:30 p.m.	Tues, April 7, 2026

Indiana's Utility Disconnection Moratorium Ends March 15

The state moratorium on natural gas service disconnection ends on March 15. This annual moratorium protects customers from having natural gas service disconnected for non-payment during cold winter months—but only if they have applied for the Indiana Energy Assistance Program (EAP). Proof of EAP application can keep services connected if a customer is unable to pay.

If you are having trouble paying bills, call Citizens Energy Group at (317) 924-3311 or visit www.citizensenergygroup.com/Help to talk through your options, including how to apply for EAP.

Conservation Tip:

Turning down the temperature 7-10 degrees for just eight hours a day can save about 10 percent on your heating bill. Use your thermostat to reduce the temperature when you aren't home or at night when you are asleep.

Safety Tip:

Never store flammable liquids, paint, or other flammable materials near appliances such as furnaces, stoves, or water heaters.
